PROGRAM

MADRISA RUNDTOUR

We start the Madrisa tour in Klosters village. From there we take the Madrisabahn and two lifts to reach 2500 meters. From the Madrisa ski area we ski a little and traverse to the Schlappinerjoch (2203m) at the border to Austria. A first beautiful descent over wide slopes leads us into the Valzifenstal. Through this valley we reach Gargellen (1420m) in the Montafon. With the Schafbergbahn we reach an altitude of 2200m again. Cosy huts invite you to stop for a bite to eat. A short descent northwards along the valley to Gargellen is followed by a 45-minute ascent to the St.Antönier-Joch. A wonderful descent through the Alpeltitälli to St.Antönien concludes the Madrisa round tour.
With the post bus we reach the station Küblis and we can start our journey home.
